The Kirklees District

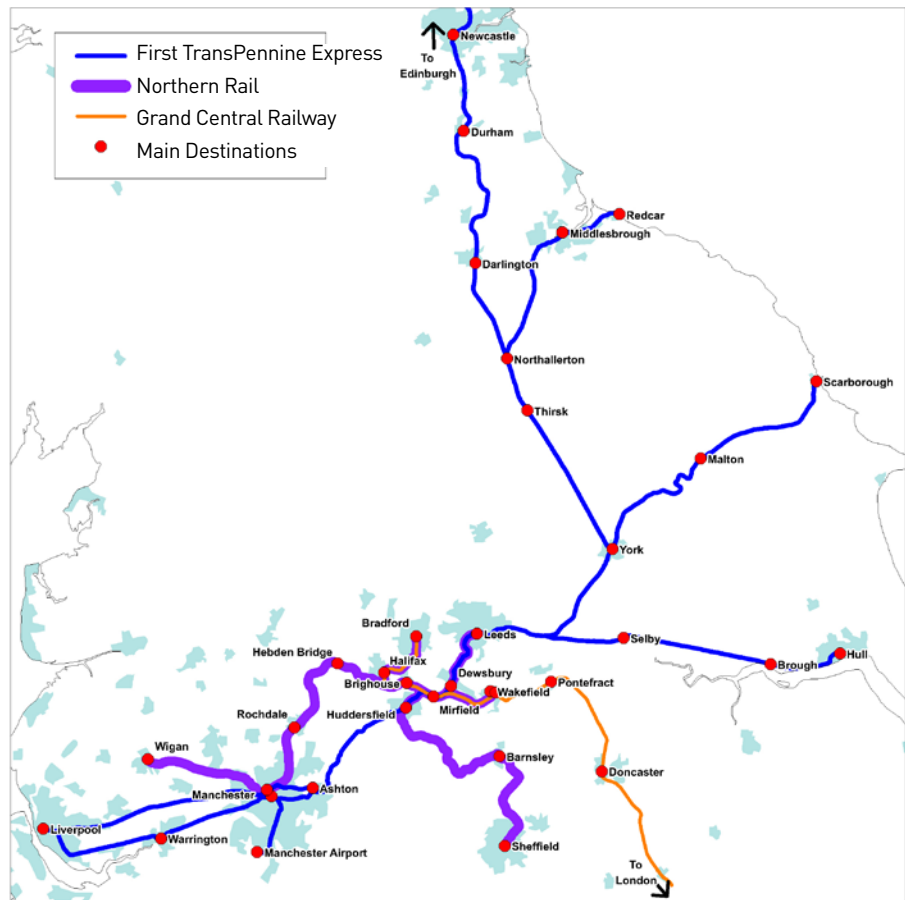

The large map shows Kirklees in detail, while the inset shows the district in context

Rail Services

Train services in Kirklees are provided by three companies: First TransPennine Express, Grand Central Railway, and Northern Rail. The map below shows the extensive network of services operating from Kirklees, and the main destinations which can be reached directly from Kirklees stations. A new station was opened in May 2017 at Low Moor which is less than 3 miles from Cleckheaton and less than 2 miles from Scholes.

Bus services

Most bus services in Kirklees are provided by companies which are subsidiaries of bus giants Arriva and First Bus, though other smaller companies do operate within the area.

Total Monday -Saturday daytime route length in Kirklees is 367 miles with a daytime mean frequency of 2.8 buses each way per hour per route mile. Monday - Saturday evenings route length is 238 miles, with a mean frequency of 1.5 buses per hour each way.

Fares (October 2019)

Practically all bus and train companies operating in Kirklees and West Yorkshire accept Metrocard season tickets and Metro day rovers. Metrocards and Metro day rovers are administered by West Yorkshire Passenger Transport Executive and are available from post offices, railway stations and Metro travel centres. A number of types of Metrocard are available ranging from bus only (cheapest), to bus and all 5 rail zones (most expensive).

Example Metrocard Prices:

	Countywide bus	Rail zones 1 to 5 and countrywide bus		Countywide bus	Rail zones 1 to 5 and countrywide bus
Weekly	£24.00	£43.70	Quarterly	£N/A	£N/A
Monthly	£90.00	£165.20	Annual	£910.00	£1,716.10

Day Rovers are available which allow unlimited travel all day Saturday/Sunday/Bank Holidays. However, there are restrictions Monday – Fridays as most tickets do not allow travel before 09:30 and are not valid for rail travel between 16:00 and 18:30.

Family day rover: £13.00 (valid on buses and trains, up to 2 adults and 3 children/concessions can travel on one ticket. May also be used by 2 adults travelling without children/concessionary passengers).

Train and bus day rover: one adult **£8.70**

Train day rover: adult **£7.80**, concessions/children **£3.90**.

Metro day bus rover: adult **£6.50**, (Valid anytime, any day), children and young people **£2.75**. Metro Weekender (bus only) **£8.50**

Some bus companies run their own pre-paid season ticket schemes, e.g. First, Arriva and Yorkshire Tiger, which offer substantial discounts for regular travellers. Companies also offer local area day tickets which vary in price according to the time of day travelled. Holmfirth and Meltham passengers can buy through rail and bus combined tickets on Connection bus services.

Travel Information

For all bus and Metro Train enquiries phone **0113 245 7676 (open 07:00 to 22:00)**.

Political profile

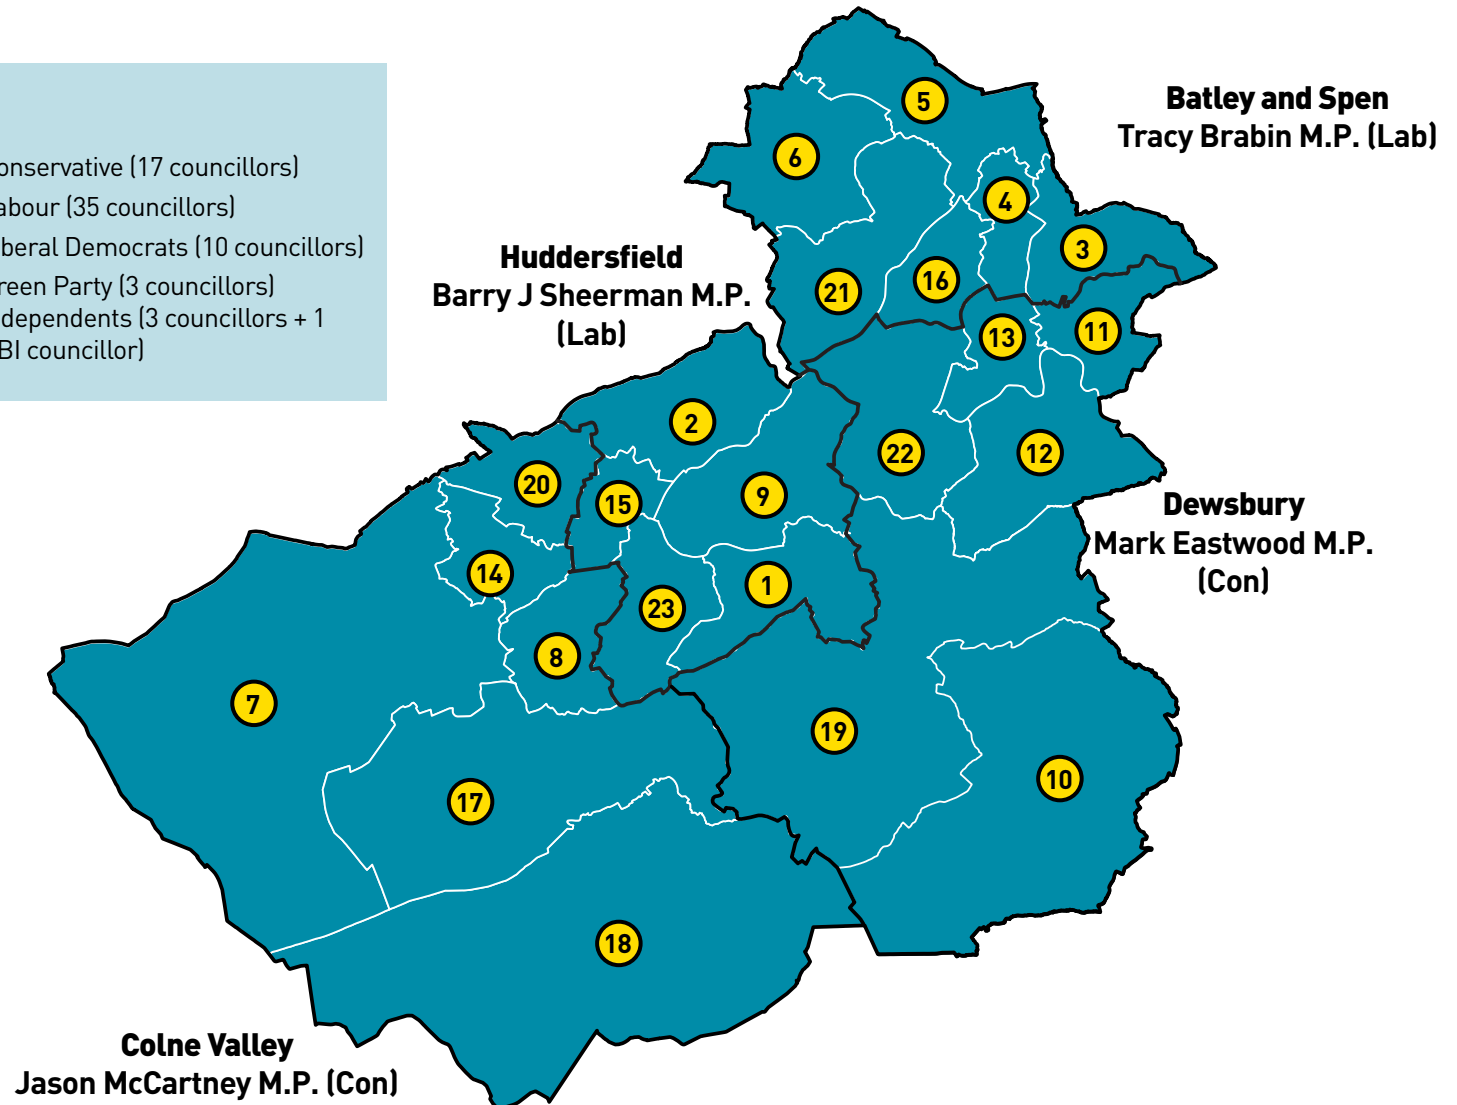

The initials in brackets after each ward indicate the political parties of the three Councillors in order of future election dates i.e. 2020, 2022, 2023

Councillors:

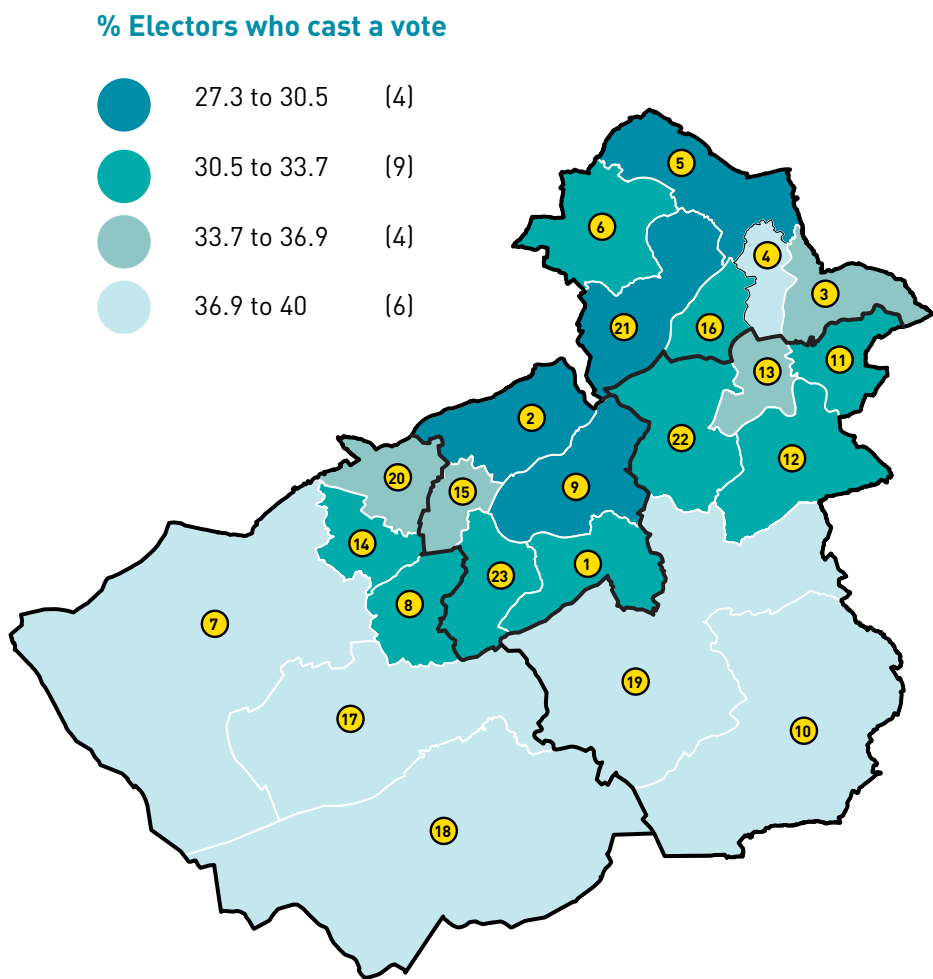

- 1 Almondbury (C LD LD)
- 2 Ashbrow (L L L)
- 3 Batley East (L L L)
- 4 Batley West (L L L)
- 5 Birstall & Birkenshaw (C C C)
- 6 Cleckheaton (LD LD LD)
- 7 Colne Valley (L L C)
- 8 Crosland Moor & Netherton (L L L)
- 9 Dalton (L L L)
- 10 Denby Dale (L L C)
- 11 Dewsbury East (L L DBI)
- 12 Dewsbury South (L L L)
- 13 Dewsbury West (L L L)
- 14 Golcar (LD L LD)
- 15 Greenhead (L L L)
- 16 Heckmondwike (L L L)
- 17 Holme Valley North (I I I)
- 18 Holme Valley South (C C L)
- 19 Kirkburton (C C C)
- 20 Lindley (LD LD LD)
- 21 Liversedge & Gomersal (C C C)
- 22 Mirfield (C C C)
- 23 Newsome (G G G)

Key:

- C Conservative (17 councillors)
- L Labour (35 councillors)
- LD Liberal Democrats (10 councillors)
- G,I Green Party (3 councillors)
- Independents (3 councillors + 1 DBI councillor)

This map shows the percentage of electors who cast a vote in the District Council Elections, May 2019. Turnout across Kirklees averaged 34%.

% Turnout		% Turnout	
1 Almondbury	33.1	13 Dewsbury West	33.7
2 Ashbrow	27.3	14 Golcar	33.4
3 Batley East	35.6	15 Greenhead	34.0
4 Batley West	40.0	16 Heckmondwike	32.6

Transpennine Route Upgrade

The Transpennine Route Upgrade aims to deliver faster, longer, more frequent and more reliable services across the north of England, from Newcastle, Hull and York towards Manchester and Liverpool via Leeds. Network Rail has worked on the development of potential infrastructure options for the Transpennine Route Upgrade and has now submitted these options to the Department for Transport for consideration.

Locally more immediate improvements to the railway between Huddersfield and Dewsbury were announced in August 2019. The current layout restricts the number and speed of trains which can be run, as well as currently being a source of delays. A period of consultation will take place in September 2019 followed by a formal Transport and Works Act Order application in autumn 2020. Once the Act has been approved by Parliament the work which will take around five years to complete can begin.

Proposed infrastructure improvements

- Doubling the number of tracks from two to four along the majority of the railway.
- Separating sections of track from each other by either a bridge (fly-over) or tunnel (dive-under) at Ravensthorpe.
- Upgrading stations at Huddersfield, Deighton, Mirfield and Ravensthorpe.
- Electrification of the railway from Huddersfield to Ravensthorpe – and right through to Leeds.

Benefits

- A more resilient and reliable railway, improved journey times and increased frequency of trains.
- Station upgrades to modern standards with better facilities for passengers will take place at Huddersfield, Deighton, Mirfield and Ravensthorpe.
- Electrification will mean cleaner travel and quieter trains with less noise for those living near the railway. Our proposals include improvements at Huddersfield, Deighton, Mirfield and Ravensthorpe. for passengers.
- More seats and more trains better connects the cities in the North which supports economic growth.

Source: Network Rail.

Kirklees Local Plan

The Kirklees Local Plan was adopted on 27 February 2019. The Local Plan is now the statutory development plan for Kirklees and has superseded the Kirklees Unitary Development Plan. Planning applications must be determined in accordance with the development plan unless material considerations indicate otherwise. The plan can be viewed at www.kirklees.gov.uk/beta/planning-policy/local-plan.aspx

The HD one

KSDL and CDP have created a joint venture company 'The HD One Kirklees Limited' which will build the scheme. August 2019 saw the announcement that a major international group has lodged a planning application to build a 4-star 148 bedroom hotel close to the stadium. The hotel is expected to be completed in 2021.

West Yorkshire Combined Authority and Leeds City Region Enterprise Partnership

The Combined Authority and LEP work in partnership with one another – and with local councils and business – to ensure everyone in the region benefits from a strong, successful economy and a modern, accessible transport network. Although the Combined Authority and LEP are separate bodies, they have a shared vision for the region and a shared organisation to support the deliverer of this.

Priorities are:

- Boosting productivity – Helping businesses to grow and bringing new investment into the region to drive economic growth and create jobs
- Enabling inclusive growth – Ensuring that economic growth leads to opportunities for all who live and work in our region
- Delivering 21st century transport – Creating efficient transport infrastructure that makes it easier to get to work, do business and connect with each other
- Supporting clean growth – Growing the region's economy while also cutting CO₂.

This year (2018/19) the partnership has invested in services and projects worth £319 million to benefit local people and the economy. Some of the highlights of this investment are shown below:

- Spent nearly £100 million on infrastructure projects, the majority delivered by our partner councils across the City Region
- Supported over 1 million passenger trips through our subsidised bus services
- Taken over 9,000 cars a week out of Leeds city centre as a result of our Park and Ride services improving air quality and congestion
- Saved 117,000 tonnes of carbon through our Better Homes Yorkshire scheme – warming homes and helping residents save money on their bills
- Sowed 7 million seeds to create a living wall that will improve air quality in Calderdale
- Intensively supported over 1,500 businesses to grow and become more productive through our LEP Growth Service – in total over 10,000 since 2015
- Brought over 1,900 jobs to our City Region through our trade and investment activity
- Supported almost 80,000 pupils across the UK through our employability, enterprise and careers education schemes

The Huddersfield Blueprint

The Huddersfield Blueprint is a ten-year vision to create a thriving, modern-day town centre.

The plan aims to deliver five key objectives for Huddersfield Town Centre: A vibrant culture, art, leisure and nightlife offer, thriving businesses, a great place to live, improved access and enhanced public spaces.

It focuses on regenerating six key areas: Station Gateway, St Peter's, Kingsgate and King Street, New Street, the Civic Quarter and a new Cultural Heart in the Queensgate and Piazza area.

For more information, plans and a chance to comment visit www.kirklees.gov.uk/beta/huddersfield-blueprint/index.aspx

The local economy

Gross Value Added 2017 (balanced approach)

Gross Value Added (GVA) is a measure of the increase in the value of the economy due to the production of goods and services. For the balanced measure, GVA(B), it is measured at current basic prices (value in £ million), which include the effect of inflation. At larger geographical areas (greater than local authority), GVA(B) is provided in "real" terms in chained volume measures (CVM), with the effect of inflation removed.

Historically ONS has produced estimates of regional gross value added (GVA) using the income approach (as National Statistics) and the production approach (as Experimental Statistics). However, for the first time ONS have taken the strengths from both approaches and used them to produce a new balanced measure of regional GVA, GVA(B). This gives users a single measure of economic activity within a region, therefore avoiding any confusion from having two different estimates of the same thing.

In 2017 the GVA for Kirklees was £7.7bn which represents less than 1% of the UK total of £1.82tn. Nationally, the City of London has the highest GVA per head (£7,861m) with Blaenau Gwent the lowest at £12,599 (UK £27,555). In West Yorkshire Leeds had the highest GVA per head (£29,626), followed by Calderdale (£22,793), Wakefield (£21,497), Bradford (£18,757) and Kirklees (£17,500). In 1998 manufacturing accounted for 28.3% of GVA(B) in Kirklees (UK 16.1%), by 2017 this had shrunk to 21.1% (UK 10.1%).

Unemployment profile (claimant count) June 2019

No official unemployment rates are available for wards. The rates shown here are calculated on the same basis as rates for larger areas and show the number of people claiming Universal Credit (searching for work) as a percentage of the working age resident population of each ward. A breakdown of economic activity/unemployment by ethnic group from the 2011 Census can be found on Factsheet 11 (Minority Ethnic Groups).

This does not include any activities as part of paid employment.

Index of deprivation 2019

Deprivation in England is measured at Lower Super Output Area using a variety of indicators grouped under seven domains (income, employment, health, education and skills, housing and access to services, crime, and living environment). In Kirklees 12.2% of the population live within LSOAs which rank within the worst 10% in England; this is higher than the average for England where 9.9% of the population are within the worst 10% LSOAs.

The Kirklees district is served by one Primary Care Trust. From April 2013 responsibility for the commissioning of local health services passed to Greater Huddersfield Clinical Commissioning Group

and North Kirklees Clinical Commissioning Group. At the same time responsibility for public health passed to Kirklees Council. The district is also served by two acute NHS hospital trusts: Calderdale & Huddersfield

NHS Foundation Trust and The Mid Yorkshire Hospitals NHS Trust (which includes Dewsbury), and one mental health NHS Trust - South West Yorkshire.

Joint Strategic Needs Assessment

Local authorities and clinical commissioning groups (CCGs) have to develop Joint Strategic Needs Assessments (JSNAs) and Joint Health and Wellbeing Strategies (JHWSs), on behalf of the Health and Wellbeing Board.

The KJSA provides a picture of the health and wellbeing of Kirklees people and is used to inform the commissioning strategies and plans of the council, Greater Huddersfield CCG, North Kirklees CCG and the local voluntary and community sector.

It includes information about health needs and assets. Health assets help people and communities to maintain and sustain their health and well-being, such as skills, knowledge, their networks and connections and community spaces, for example parks.

The KJSA site (<http://observatory.kirklees.gov.uk/jsna>) is split up into sections. Each section under the four main headings uses a life course approach to explain who is affected and where and outlines what actions commissioners and service planners can consider.

Wider factors explores home, community and economic factors.

Behaviours explores health behaviours.

People and life events explores specific groups and life transitions.

Conditions explores common health conditions and diseases.

Marital status, living alone, resident in a communal establishment (2011 Census, people aged 65 and over)

	Kirklees		England & Wales
	No.	%	%
All categories: Marital and civil partnership status	64,150	100.0	100.0
Single	2,873	4.5	5.5
Married	36,079	56.2	55.8
In a registered same-sex civil partnership	76	0.1	0.1
Separated	764	1.2	1.2
Divorced	5,449	8.5	8.7
Widowed	18,909	29.5	28.7
Living alone (one person households)	20,412	31.8	31.5
Resident in a communal establishment	1,958	3.1	3.3

In 2011 most people aged 85 and over (68%) were widowed, though 24% were married. 14% of those aged 85 and over lived in a communal establishment.

General health, long term health problem or disability (2011 census people aged 65 and over)

	Kirklees		England & Wales
	No.	%	%
Good Health	29,905	48.2	50.3
Fairly Good Health	22,471	36.2	34.9
Not Good Health	9,624	15.5	14.7
Has a limiting long-term illness	32,697	52.7	52.0
Does not have a limiting long-term illness	29,303	47.3	48.0

Health declines with age and only 26.1% of people aged 85 and over said that their health was good. 83.5% of people aged 85 and over feel that they have a limiting long-term illness.

Provision of unpaid care (2011 census people aged 65 and over resident in households)

	Kirklees		England & Wales
	No.	%	%
1 to 19 hours	4,100	6.6	6.9
20 to 49 hours	1,107	1.8	1.8
50 or more hours	3,290	5.3	5.6
Does not provide care	53,503	86.3	85.6
Total aged 65 and over	62,000	100.0	100.0

The amount of unpaid care provided increases with age; 13.7% of people aged 65 and over provide unpaid care compared to 9.9% of those aged under 65. Since 2001 a slightly higher percentage of people aged 65 and over now provide unpaid care (2001 11.4%, 2011 13.7%)

Attendance Allowance November 2018

Attendance Allowance, introduced in December 1971, is a benefit for people aged 65 and over who need help with personal care because of illness or disability. For example, a person may qualify for Attendance Allowance if they have difficulty with washing, dressing or similar tasks. The benefit is not income related, is not taxable and is not based on National Insurance Contributions. In general, the benefit has two payment levels. Those requiring help both during the day and night are eligible for a higher rate of £87.65 per week, otherwise recipients are provided with the lower level of benefit (£58.70 per week). In Kirklees there were 8,922 people claiming the allowance (11.6% of all aged 65 and over, England 13.0%).

Source: Department for Work and Pensions (DWP).

Pension Credit November 2018

Pension Credit is an entitlement which guarantees everyone aged 60 and over a minimum income. Pension Credit has two parts: the guarantee credit and the savings credit (only paid to people aged 65 and over). The savings credit provides extra money to people who have income from occupational pensions or savings, giving the recipient a higher income than the guarantee credit. In Kirklees there were 13,080 claimants of Pension Credit of which 2,160 were in couples which accounts for 13.0% of all aged 60 and over (England 12.4%).

Long-term health problem or disability, general health, 2011 Census

A long-term health problem or disability that limits a person's day-to-day activities, and has lasted, or is expected to last, at least 12 months. This includes problems that are related to old age. General health is a self-assessment of a person's general state of health. People were asked to assess whether their health was very good, good, fair, bad or very bad. This assessment is not based on a person's health over any specified period of time.

Disability Living Allowance November 2018

Disability Living Allowance (DLA) is a tax-free benefit for adults and children with a disability or illness who need help with getting around or help with personal care or help with both of these. Normally help must have been needed for at least 3 months and must be likely to be needed for at least a further 6 months. People cannot claim Disability Living Allowance on or after their 65th birthday, even if the need for help started before then, however if they are claimants on their 65th birthday, they can continue to receive the benefit. (People aged 65 or over who need help with personal care may be able to get Attendance Allowance). In Kirklees, 2.5% of all people (around 1 in 40) claim DLA; this increases to 2.8% for ages 60 to 69 (1 in 35). Note: Personal Independence Payment (PIP) is replacing Disability Living Allowance (DLA) for people with a long-term health condition or disability aged 16 to 64; at November 2018 there were 15,142 claims in payment.
